High Class Millinery

The Millinery shown by us this season has exclusiveness, which is so much desired. Having the privilege of buying from foreign markets, it places us in a position not to duplicate our styles, and enables us to secure the great variety. Late shipments have just reached us.

This is the month when people are busy buying for early winter, it's a time of rush from morn ing till night; this store is no exception. We intend to make this 1906 October one to be remembered, by having a sale with cut prices. Always remember that whatever we print "tis true." There's a long list of low priced Dry Goods in this advertisement, and even then we're not giving you the half; the store is filled from basement to garret with high class merchandise, bought direct in most cases from the maker. Trade with us—we can save you money.

If you purpose attending a Business College in the near future, ' WM. PRINGLE,

A Quarter Century is a Long Time, Isn't It?

Well, for almost thirty years we have been selling TEAS and COFFEES to the people of Lindsay and the County, and from the very outset we made a specialty of the business.

We gave good value always for the prices charged. we gave good value always for the prices charged, because we knew how to get the best and nothing else would suit us. To-day, however, we can say with con-fidence that we are giving more for the money than aver before.

Increased experience has taught us how. Why go increased experience has taught us how. Why go elsewhere and buy inferior Teas and Coffees when we offer you as good as can be bought in Canada for the money. Try us and you'll say so, too.

The Highest in Quality

FRESH DELICACIES-

A. L. CAMPBELL, Kent-st., Lindsay.

A Quarter Century is a Long Time, Isn't It?

Well, for almost thirty years we have been selling TEAS and COFFEES to the people of Lindsay and the County, and from the very outset we made a specialty of the business.

We gave good value always for the prices charged, because we knew how to get the best and nothing else would suit us. To-day, however, we can say with confidence that we are giving more for the money than ever before.

Increased experience has taught us how. Why go elsewhere and buy inferior Teas and Coffees when we offer you as good as can be bought in Canada for the money. Try us and you'll say so, too.
